Not For A Moment (After All)
Jacob Sooter, Meredith Andrews & Mia Fieldes

```
        A                         E      B           C#m
You were reaching through the storm, walking on the water
 A          E        B
Even when I could not see
         A         E         B                    C#m           A
In the middle of it all, when I thought You were a thousand miles away
         E    C#m          B        A
Not for a moment did You forsake me
         E    C#m            B
Not for a moment did You forsake me

    A       E C#m        B
   After all You are constant
   A       E C#m         F#m
   After all You are only good
   A       E C#m          B
   After all You are sovereign
    A           E    C#m              B
   Not for a moment will You forsake me
```

You were singing in the dark, whispering Your promise
Even when I could not hear
I was held in Your arms, carried for a thousand miles to show
Not for a moment   did You forsake me

```
      A             E           C#m             B
     And every step every breath you are there
     A       E         C#m           B
     Every tear every cry every prayer
     A         E          C#m             B
     In my hurt at my worst, when my world falls down
      A          E    C#m             B
     Not for a moment will You forsake me
```
