May you glorify His name

Dm A/C#

May your heart remain the same

Bm7 Esus4 E7 A

How I pray you live for Jesus all your days

How could I have known that from long ago

God has planned such a time as this

He will bless your life to rescue this dying age

And to save those in need

May you be firmly rooted deep within His Word

Sharing with all those who have never heard

Go to all the lands so barren and dry

With the strength to face each new day

For He's with you now and always
