**And even if the Church no longer speaks Your Name, and turns from the Lord in shame  
Though all the na-tions may hate and persecute, we'll always trust in You  
The message of the cross, God's power they can't see, how foolish we seem to be  
We give the Word of life to people lost in strife, and foolishly save the world for Christ**

**Time after time God's foolish people will arise  
As they pray for the world to be renewed  
Through missions may we save all nations for Christ  
For this is the one thing we must do**
