

Hymn 428

There's Sunshine in My Soul Today

E. E. Hewitt

G *C* *G*
There is sunshine in my soul today

D *G*
More glorious and bright

G *C* *G*
Than glows in any earthly sky

D *A7* *D*
For Jesus is my light

G
O there's sunshine, blessed sunshine
G *D*
While the peaceful, happy moments roll

G *C* *G*
When Jesus shows His smiling face

G *D7* *G*
There is sunshine in my soul

There is music in my soul today (*G C G*)
A carol to my King (*D G*)
And Jesus, listening, can hear (*G C G*)
The song I cannot sing

There is springtime in my soul today (*G C G*)
For when the Lord is near (*D G*)
The dove of peace sings in my heart (*G C G*)
The flowers of grace appear (*D A7 D*)

There is gladness in my soul today (*G C G*)
And hope, and praise, and love (*D G*)
For blessings which He gives me now (*G C G*)
For joys laid up above (*D A7 D*)
