God has sent them the savior who is the Christ

He built His church to shine His light

Lord, not by my thoughts

Cm/G *G*
But I'll follow Your word, what You've taught

E *Am7* *C/G* *F*
Lord, not by my strength, But by Your pow'r through prayer

D *D/C* *Bm7* *E7* *Am7* *Cm6*
Lord, not by my plans, But I'll live out Your command to me

For world missions I'll challenge the impossible

The Lord has called us as His remnant, remaining ones
But how we are so slow just to know who we are
God has been patiently awaiting for us to see
Just like a day, how a thousand years passed away

How the world lives in darkness and in sin
May His kingdom be ushered in
God has called us His own missionaries
So we'll take the challenge, we will go
