

# Filled With Your Glory

*Starfield*

*B* *F#*  
In my heart, in my heart, there's a fire burning

*E*  
A passion deep within my soul  
*C#m7* *F#*  
Not slowing down, not growing cold

An unquenchable flame that keeps burning brighter (*B F#*)  
A love that's blazing like the sun (*E*)  
For who You are and what You've done (*C#m7 F#*)

*E* *B/D#* *F#* *C#m7*  
And as the fire is raging on  
*E* *B/D#* *F#*  
So Your praise becomes my song

*B* *F#*  
The whole earth is filled with Your glory, Lord  
*E*  
Angels and men adore (Mountains bow and oceans roar)  
*C#m7* *F#*  
Creation longs for what's in store

May You be honored and glorified (*B F#*)  
Exalted and lifted high (*E*)  
Here at Your feet I lay my life (*C#m7 F#*)

From the ends of the earth to the heights of Heaven (*B F#*)  
Your glory, Lord, is far and wide (*E*)  
Through history You reign on high (*C#m7 F#*)  
From the depths of the sea to the mountain's summit (*B F#*)  
Your power, Lord, it knows no bounds (*E*)  
A higher love cannot be found (*C#m7 F#*)

So let the universe proclaim (*E B/D# F# C#m7*)  
Your great power and Your great name (*E B/D# F#*)
