

Cry In My Heart

Starfield

D
There's a cry in my heart
A
For your glory to fall
Em *Asus* *A*
For your presence to fill up my senses
D
There's a yearning again
A
A thirst for discipline
Em *Asus* *A*
A hunger for things that are deeper

Bm *G*
Could you take me beyond
D *A*
Could you carry me through
Bm *G*
If I opened my heart
D *A*
Could I go there with you
Bm *G*
For I've been here before
D *A*
Yet I know there's still more
Em *A*
O Lord, I need to know you

G *D*
For what do I have if I don't have you Jesus
A *Bm*
What in this life could mean anymore
G *D*
You are my rock, You are my glory
A *Bm*
You are the lifter of my head
