Seung Yeon Han & Hyun Sil Yang

A *E/G#* *C#/F* *F#m7*
There's a place people long to go, but the way no one seems to know
D *A/C#* *Bm7* *D/E* *A*
Though they search for truth, no one can give the answer they all long to find
E/G# *F#m7* *A/E* *D* *D/E* *A* *A/C#*
In my heart this bartizan seems so small but it will give life to all
D *E/D* *C#m7* *F#m7* *Bm7* *E/G#* *A* *A13*
Through every problem I may face creation's light will always shine
D *E/D* *C#m7* *F#m7* *Bm7* *B/D#* *D/E*
No matter what may come my way this glorious light will always shine

A *A/C#* *Bm7*
The light that saves every life, the light that gives them new life
D7 *E/G#* *D/A* *A* *E/G#*
Go, stand and arise and shine this light of Christ
F#m7 *Bm7*
It's the light to save and raise the children to save this age
D *D/E* *A*
Go and shine this light, this light of Jesus Christ

We can choose anywhere to go, but we choose where nobody goes
Wherever we are, whatever we do we know we have the answer
In my heart this bartizan may seem so small but it will give life to all
Through any suff'ring I may face creation's light will always shine
And through the darkness of the night this wondrous light will always shine

D *D/E* *C#m7* *F#7* *E/G#* *F#/A#*
The light that saves the ages the light that saves the future
G *D/E*
Shine this light of Christ to all the world
