On a lonely road living a life with nothing to show

For the road ahead it was a lonely road I tread

And then He came and gave His decree said, "You belong to Me"

Bm7 C#m7 F#m7 G Esus4 E7

Everything of yesterday a blessed stepping stone of today

A Bm/G# C#7 F#m7 Em7 A7

Now I can walk without fear 'cause I have seen the awesome works of God

D A/C# Bm7 Esus4 E7

Like Joseph, and Moses, I'll be just the same

A Bm/G# C#7 F#m7 Em7 A7

Now I can walk without fear 'cause I have seen the awesome works of God

D A/C# Bm7 E7 A

Like Samuel and David, I'll be just the same

Walking through my life in the shackles of my past

On a lonely road nothing but bruises and failures to show

Sometimes I would be so bound by uncertainty

For the road ahead it was a lonely road I tread

And then He came and gave His decree said, "You belong to Me"

Everything of tomorrow a blessed stepping stone of today

Now I can walk without fear 'cause I have seen the endless works of God

Like Elisha, and Isaiah, I'll be just the same

Now I can walk without fear 'cause I have seen the endless works of God

Like Paul and Timothy I'll be just the same

When I am facing my past and darkness closes in
