

He's Changing Me

Elsie Dietz Lippy

G *G7*
He's changing me
C
My precious Jesus
G
I'm not the same person
D *D7*
That I used to be
G *G7*
Sometimes it's slow going
C *C7*
But there's a knowing
G *D7* *G*
That one day perfect I will be

G *G7*
Little by little bit every day
C
Little by little bit every day
G *D*
My Jesus is changing me (praise God, he's changing me!)

G *G7*
Since I made that turnabout face
C
I've been growing in His grace
G *C* *D* *G*
My Jesus is changing me
