Looking around us, at those beside us, it seems there is no way

This is the path of slav'ry, we are on our way to the spiritual battlefield

This is the path where nobody can help us, and yet we must still walk that way
Dm7 *C/E* *FM7*
Though the path may seem so lonely ahead,
Dm7 *C/E* *Fm7* *Gsus4*
We know the mighty Triune God, our God is the only way

G *C* *G/B* *Am7*
Blessings of the Heavenly Throne are now the Remnants' 24
C/G *FM7* *C/E* *Dm7* *G*
We've remained, we remain, We will remain, and we will leave behind

We're the pilgrims who will go save the field, transcending time and space
Gm7 *C7* *F* *Em7* *Am7* *Dm7* *Gsus4* *G7* *C*
We will overcome darkness in 237 and in the 5,000 tribes

Heav-en-ly Power, Heavenly Talent, Heavenly Mission, this is ours

For we are cultural conq'rors, going onward to claim the spiritual victory

This is the path to save kings and captives and idol worshipers

And we are walking the path here before us, needing no help at all today

On that path, it's only God who's with us
Dm7 *C/E* *Fm7* *Gsus4*
We know the mighty Triune God, our God is our only way
