## The Abundant Love of Jesus

*G. A. Minor*

*A* *D*  
The abundant love of Jesus made us clean, who  
*A* *E*  
Long were sunk in sin, and stained beyond belief  
*A* *D*  
Now we are God's children, not by our deserving  
*A* *E* *A*  
But by saving love, which came to our relief

*A* *D* *A*  
Such abundant love, limitless and free!  
*A* *E*  
Praise the grace of Jesus, dying in our place!  
*A* *D* *A*  
Such abundant love, love for you and me!  
*A* *E* *A*  
Praise the love of Jesus! Praise His saving grace!

Now that we've been cleansed by Jesus' precious blood (*A D*)  
And Taught to shun the sin in which of old we trod (*A E*)  
Earthly clouds of worry, melt away to nothing (*A D*)  
In the shining glory of the light of God (*A E A*)

O, dear friends, awake from sin's ensnaring sleep, and (*A D*)  
Insubstantial earthly dreams that fade away! (*A E*)  
Now across the earth, the cry is sounding forth, "To (*A D*)  
Day's the day of grace! You can be saved today!" (*A E A*)
