

Hymn 502

Heralds of Light, Be Swift

Lewis Edgar Jones

G *D7 G*
Heralds of the light, be swift, haste your going

D *G* *C G*
Shatter the fetters of night

G *D7 Eb*
Peoples still without the truth wait unknowing

D *A* *D7*
Beam forth the Gospel of Light

G
Heralds of Light, speed away!

D7 *G*
Let shine the bright Gospel ray

G *C* *G*
End the night of sin, Let the brightness in!

D7 *G* *C G*
Heralds of light, speed the day

Do the work of God, with pow'r of His giving
He your Companion will prove
Tell the love of God for all people living
Beam forth the Gospel of Love

Bear the truth of God, the fire of His altar
Faint not in age or in youth
Crossing seas and mountains, rest not, nor falter
Beam forth the Gospel of Truth

North and South and East and West, go, obeying,
God your support in the strife
For the dead and blind in sin, go forth praying
Beam forth the Gospel of Life
