

My Love and My Light

Don Moen

C *F G* *C*
You are my love and my light, You are my purpose for living
Am *F G*
You are my hope in the night, my reason for singing
C *F G* *Am*
You bring the joy to my life and You're making it better and better
F G C
And I will give thanks forever and ever

C F G C
Will we ever know what we have been given
Am F C G
He has chosen us and called us His own
C F G C
Flowing from His throne there is a river
Am F C G
Bringing life and health wherever it goes

C F G C
We will bless Your name always and ever
Am F C G
And offer up the sacrifices of praise
C F G C
Teach us, Lord, we pray to live in Your presence
Am F C G
Make us more and more Like You every day

Am F C G
Oh, oh, oh, what a joy to know
Am F C G
Oh, oh, oh, our Father loves us so (repeat)
