

Hymn 350

March We Onward

Anonymous

G *C*
March we onward doing battle not with flesh and blood
G *Em* *D7*
But the hosts of darkness ranged against the Son of God
G *C* *G*
On! To rescue captive soul and shatter Satan's rod!
D *G*
Marching onward soldiers together

G *C*
Close ranks! Fight on, in heart and will as one!
G *D*
Close ranks! Fight on, fight on till day is done
G *C* *G*
Smite the demon hosts with strength until the war is won
D *G*
Marching onward victors forever

March we onward, armor-clad though not with coat of mail
And with sword more strong than steel the sword which cannot fail
With the Gospel's word of peace, almighty to prevail
Marching on in faithful endeavor

Though the devil's evil host be awesome to the sight
Jesus our commander goes before us in the fight
Victory is sure, take heart! Let nothing you affright
Joy will come at last in full measure

All repent and souls whom their wrongdoings truly grieve
Christ the crucified will save if they will but believe
Sunk in sin we rise in Him, Salvation to receive
And to be His people forever
